Bridgnorth Lions Annual Raft Regatta 16th June, 2002

This will be our fourth consecutive year of entering the Bridgnorth Lions Annual Raft Race, and we are determined more than ever to make this a successful day.

Just to recap on our past performance, last year the Firs team raised a staggering £3,000. This money was shared out between Guide Dogs For The Blind, Compton Hospice and New Cross Hospital. The money was put to excellent use providing those less fortunate than ourselves with a better way of life.

It is fair to say that the day would be pointless if it were not for all our sponsors, and not just the people who donate monies, but also those who give their services free of charge to make sure the day goes without a hitch. (There can never be enough support of this kind!)

And last but by no means least those brave soles who risk all that nature can offer by rowing our way to victory.

The Challenge

This year our goal is bigger than ever, we aim to meet our commitment to our chosen charities by raising a total sponsorship of £4,000. This means that each one of our charities will receive £1,000 each.
